Expressed through reference images, sketches, diagrammes or...

# Field observations

What are you basing your project on? Don't just show other artists references, we want to see you own field research.

# Visual and Material Moodboard

Reference images supporting your projects.  
It is not the idea to show the competition but to visually complete what is missing and you are not showing or able to share through your sketches and paper prototypes.

Expressed through reference images, sketches, diagrammes or...

# Shape research

Hand sketches, draft 3d models, reference images...

Expressed through reference images, sketches,

# Paper Prototypes

Your paper prototypes showing your design explorations.  
Don't just show one prototype. More is better.
